Comprehensive support with **SWTCH Care™**

SWTCH Care™ provides comprehensive 24/7 monitoring, maintenance and support to maximum charger uptime and peace of mind.

Financing simplified with **SWTCH Charging as a Service**

SWTCH Charging as a Service (CaaS) bundles hardware, installation, software and expert service into a single monthly fee, designed to meet the needs of your business.

SWTCH Care™

Rest easy knowing that your investment is taken care of through our comprehensive support offering, including:

Extended Manufacturer Warranty

SWTCH Care continues the manufacturer's warranty for as long as you subscribe. Plus, it covers any costs related to the shipment of replacement parts.

On-Site Service

For any issues that require an on-site visit from a service technician, SWTCH Care covers the cost. On-site maintenance and diagnostics is also performed during any service visit.

Error Prevention & Detection

With our 24/7/365 remote monitoring, we'll know about problems before your drivers do. Our remote access diagnostic and dispatch services keep your system running smoothly before serious problems occur.

Priority response time

A SWTCH representative will investigate any issues remotely within one business day. For issues requiring replacement parts, a technician will service your station within 3 business days (after parts have been received).
